Public Notification

A clean environment reflects a responsible community!

The Dzongkhag Administration hereby notifies the general public that littering within town areas and surrounding peripheries is strictly prohibited.

To ensure cleanliness and public discipline, CCTV cameras have been installed at various locations. Individuals caught littering through CCTV surveillance shall be penalized with fines in accordance with prevailing rules and regulations. Further, repeat offenders may be publicly identified through official platforms as part of enforcement measures.

Therefore, all residents and visitors are requested to cooperate by disposing of waste responsibly and maintaining the cleanliness of our town.

Let us all contribute towards a clean, safe, and healthy environment.
